### One day Workshop on Aero Engine Design & Development

The Department of Mechanical Engineering arranged a Workshop on 26-09-2019 for their Final year Mechanical Engineering students on “Aero Engine Design & Development” at Conference Hall.

The Chief Guest was Mr.V.Sundarajan, Head Aero Engine Technology, HCL Technologies Limited, Bangalore. The Inauguration of the programme took place in the august presence of Managing Trustee Thiru A. Nagarasan, Chairman Thiru T. Subramaniam, Secretary Thiru K. Pavithran, Trustee Thiru P. Rangaraj, Director Dr. K. Thanushkodi, Joint Director Dr. N. Suguna, Principal Dr. J. Jaya, Head of Department Prof M. Selvaraju, Faculty members and students.

In his Session, the Chief Guest explained to the students about latest technologies which are implemented in the engineering fields. He also explained about importance and contribution of Gas Dynamics in the Aeronautical industry. Then, he pointed out various opportunities available in Aeronautical Engineering field and insisted the importance of Mechanical Engineering in transport sector.

Students from Final Year Mechanical Engineering participated in this Workshop and gained knowledge about the New Design and Development of Aerodynamics profile and how they are utilized in Vehicles. Students interacted a lot with the Chief Guest and got clarified their doubts about various design principles and various software used in automobile industry. Finally, it turned up as a wonderful session and brought a lot of confidence among students on latest technologies and it would be helpful for their career.

The Vote of Thanks was delivered by Prof. M. Selvaraju, Head of the Department, Department of Mechanical Engineering of the institution.

## One day Workshop on Gas Turbine Design & Development an Industry Practice

The Department of Mechanical Engineering arranged a Workshop on 07<sup>th</sup> & 08<sup>th</sup> August 2017 for their Final year Mechanical Engineering students on “Gas Turbine Design & Development an Industry Practice” at Conference Hall.

The Chief Guest was Mr.V.Sundarajan, Director and Head of Technology Excellence Group at Quest,Bangalore. The Inauguration of the programme took place in the august presence of Managing Trustee Thiru A.Nagarasan, Chairman Thiru T.Subramaniyan, Secretary Thiru K.Pavithran, Trustee Thiru P.Rangaraj, Director Dr.K.Thanushkodi, Joint Director Dr.N.Suguna, Principal Dr.J.Jaya, Head of Department Prof M.Selvaraju, Faculty members and students.

In his Session, the Chief Guest explained to the students about latest technologies which are implemented in the engineering fields. He also explained about importance and contribution of Gas Dynamics in the aeronautical industry. Then, he pointed out various opportunities available in Aeronautical Engineering field and insisted the importance of Mechanical Engineering in transport sector.

Students from Final Year Mechanical Engineering participated in this Workshop and gained knowledge about the new design and development of aerodynamics profile and how they are utilized in Vehicles. Students interacted a lot with the Chief Guest and got clarified their doubts about various design principles and various software used in automobile industry. Finally, it turned up as a wonderful session and brought a lot of confidence among students on latest technologies and it would be helpful for their career.

The Vote of Thanks was delivered by Prof.M.Selvaraju, Head of the Department, Department of Mechanical Engineering of the institution.
