

AKSHAYA

COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai-An ISO 9001:2015 Certified Institution)
Kinathukadavu, Coimbatore - 642 109.

Water conservation facilities available in the institution:

The Institution is conscious about the water conservation in all possible ways which includes Rain water harvesting facilities, borewells, and Water tanks. The maintenance of water bodies and water distribution system in the institution is well taken care of.

All these facilities have been created with the help of maintenance staff using the construction resources available in the college.
