CIRCULAR

All the staff members and students hereby advised to make use of the public or college transport facilities instead of their own vehicles as much as possible. Students residing near the college are encouraged to commute to the institution by bicycles. It is mandatory to wear helmets by the rider and pillion while driving two wheelers.

In general, private vehicles are not allowed beyond a point inside the premises. Two wheelers and four wheelers should be parked at the allotted locations only in the campus.

Students are strictly advised not to use automobiles inside the campus. All these initiatives are recommended for improving the air quality of the environment of the campus.

CIRCULAR

All the Staff members and Students are hereby informed that hereafter one time use and throwaway plastics are not permitted in the institution premises, canteen and hostels. Students are not permitted to bring non-bio-degradable plastics items to the institution. Everyone should make necessary alternatives like cloth bags, paper cover instead of plastic covers. Also use of stainless steel containers are recommended instead of plastic water bottles. All your efforts are solicited to make our campus plastic free.
