

AKSHAYA

COLLEGE OF ENGINEERING AND TECHNOLOGY
(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai-An ISO 9001:2015 Certified Institution)
Kinathukadavu, Coimbatore - 642 109.

Facilities for Disabled-friendly, barrier free environment in the institution:

The Institution aims to create all facilities inside the campus to make it a 'Disabled-friendly and barrier free environment'. With this view the institution has built ramps/slopes at required places to help the physically challenged people to access all location in the college blocks. Provision for wheel chairs and specially designed toilets/rest rooms, signboards at different locations with symbols were created by the college maintenance department staff, using resources available in the college and are maintained by them.
