Letter written to a friend  
Dear recipient,  
In the first month of today's  
mandarin time, it's very difficult to find a real  
friend like you sometimes, I think that I'm  
extremely lucky to have you as a friend. I  
cannot imagine my life without you even at  
this point, I can still clearly remember the very  
first day that we met at college.  
You called me when I entered the  
classroom and offered to sit next to me. I find  
you are so warm. I know you are a  
very kind person. I sincerely cherish you and  
every moment that we spend together. Even though  
I am far away from you, I still feel you are  
close to my side. You are my classmate, my  
teacher. I really hope that you have a  
good job and a happy life. I will try my  
best to be a good friend to you.  
I am writing this letter to tell you about my  
life and to let you know how much I love  
you.  
With love,  
Your friend,  
Li Hua

Dear friend,  
I hope you are well. I have been thinking  
about you a lot lately. I hope you are  
happy and successful in everything you do.  
I have been busy with work and school,  
but I always find time to think about my  
friends. I hope you are doing well and  
I will see you soon.  
With love,

Friend letter to friend

Dear Emma letter.

Thanks for your letter and it says a lot to me it was really nice to hear from you. You asked me to tell you about my favourite day of the week well it's definitely Friday.

One reason I like Friday is because I have my favourite subject that is PE and chemistry. Chemistry gives science and its experimental in the science lab and we do a lot of things in it. In PE we usually play and with science we do some interesting things. I'm glad to hear you like your favourite day. I'm glad to hear you're quite well. Our team usually wins.

On Friday night we sometimes go to someone's house for a party or to watch a DVD. We can watch a bit of Friday evening news. There is a school on Saturday. Tell me about your favourite day in your next letter. Hope to hear from you soon.

With love,

Samuel

Letter writing to a friend

Dear William,

This is for you, the one I can tell my secret to, who can make me smile like no other. I can laugh with you, who can help me with the problems of my life.

Your stay in my life forever because your friendship is one of the best things to ever happen to me. You have set up my life like no other. You are always the person who can light up a room the way you have lit up my heart. I don't think you know what that means to me. You have gone through so much pain and you still have time for me.

I hope you know I would not be the person I am today, without you my best friend. Love is so much...

By with love

J. Hampton
