5.7.1. Establishment of Grievance Redressal Mechanism

The objective is to address and effectively solve various grievances related to students /staff members. It acts as a bridge between the students/staff and the authorities. The committee tries to maintain a balance between student's demands/issues of students/staff and feasible solution provided by the authorities.

Complaints and Redressal Committee:

A committee to address the grievances namely, 'Complaints and Redressal Committee' is formed for this purpose. The objective is to provide a platform for the student's/faculty members/staff members to represent their complaints arising out of acts of violations of guidelines in the regular working environment and provide a suitable solution.

Areas under preview of this committee are:

Anyone affected either physically or mentally by the act of anyone else whose act are deviated from the specified guidelines in the campus can register their complaints at suitable level. The members of the committee call for a meeting periodically (once in two months) and under emergency situations to study the grievances and suggest appropriate solutions to the authorities.

Establishment of Grievance Redressal Committee in the Institution and Appointment of OMBUDSMAN:

The procedure for redressal of grievances by Ombudsperson and Students Grievance Redressal Committee are as under:

- a. Each Institution has an online portal where any aggrieved student submits an application seeking redressal of grievance.
- b. On receipt of an online complaint, the Institution refers the complaint to the SGRC, along with its comments within 15 days of receipt of complaint on the online portal.
- c. The SGRC, as the case may be, shall fix a date for hearing the complaint which shall be communicated to the institution and the aggrieved student.
- d. An aggrieved person may appear either in person or authorize a representative to present his/her case.
- e. Grievances not resolved by the SGRC shall be referred to the concerned Ombudsperson, within the time of 15 days.
- f. Institutions shall extend co-operation to the Ombudsperson or the SGRC, in early redressal of grievances; and failure to do so may be reported by the Ombudsperson to the Council, which shall take action in accordance with the provisions of these Regulations.
- g. The Ombudsperson shall, after giving reasonable opportunities of being heard to both parties, on the conclusion of proceedings, pass such order, with reasons

therefore as may be deemed fit to redress the grievance and provide such relief as may be appropriate to the aggrieved student.

- h. The Institution, as well as the aggrieved student, shall be provided with copies of the order under the signature of the Ombudsperson, and the Institution shall place it for general information on its website.
- i. The institution shall comply with the recommendations of the Ombudsperson; and the Ombudsperson shall report to the Council any failure on the part of the Institution to comply with the recommendations.
- j. The ombudsperson may recommend appropriate action against the complaint, where a complaint is found to be false or frivolous.
- k. The Institution shall furnish, prominently, on its website and in its prospectus, all relevant information in respect of the SGRC coming in its purview, and the Ombudsperson for the purpose of appeals.

12.6 Innovation and Entrepreneurship Development Cell:

Established in 2015, IEDC at Akshaya College of Engineering and Technology bridges innovation and entrepreneurship for students. We empower students and faculty to innovate, guiding them to translate ideas into successful ventures. Our aim is to cultivate a culture where creativity thrives, equipping individuals with the skills to shape the future through entrepreneurship and innovation.

The cell is currently led by two faculties: Prof. N Suresh AP / Mechatronics & Prof. P. Sathish, AP / Mech and various activities are conducted for students through the cell.

Roles and Responsibilities:

- To organize entrepreneurship awareness camps and entrepreneurship development programmes.
- To arrange visits to industries for prospective entrepreneurs.
- To provide students with professional and industrial exposure.
- To guide students regarding the various government schemes to support entrepreneurship.
- To create an environment for self-employment and entrepreneurship development through teaching and training programmes.
- To promote employment opportunities through skill development.
