**Respected Sir/Madam**

**Subject:** Request for Permission to organize career awareness programme on **Gateway to Japan: Career Opportunities for Indian Students** – reg.

We are planning to organize a career awareness programme on the topic **“Gateway to Japan: Career Opportunities for Indian Students”** under the support of the Continuing Education Cell of ACET. The programme is scheduled to be held on 10.09.2025 at 10:30 AM in Conference Hall – II and is intended for the benefit of I Year students.

In this regard, I kindly request your permission to conduct the above-mentioned event as planned. We believe that the programme will provide valuable insights into global career pathways and motivate students to explore opportunities in Japan.

Thank you

*[Signature]*  
Yours truly

**Circular**

**Date: 04-09-2025**

Ref: ACET/PRL/CEC/2025-2026

The Continuing Education Cell of ACET is organizing a career awareness programme on the topic **“Gateway to Japan: Career Opportunities for Indian Students”** on 10.09.2025 at 10:30 AM in Conference Hall – II.

This programme is exclusively arranged for I Year students to provide them with essential guidance, information, and motivation on career opportunities, cultural adaptation, and higher studies prospects in Japan. All I Year students are hereby informed to attend the session without fail. **Attendance is compulsory.**

## A COMPREHENSIVE REPORT ON “GATEWAY TO JAPAN: CAREER OPPORTUNITIES FOR INDIAN STUDENTS”

**Event Title:** Gateway to Japan: Career Opportunities for Indian Students

**Organized By:** Continuing Education Cell, Akshaya College of Engineering and Technology

**Date:** Wednesday, 10.09.2025

**Time:** 10:30 AM

**Venue:** Conference Hall – II, ACET Campus

**Target Audience:** All I Year Students

### 1. INTRODUCTION AND CONTEXT

In today's interconnected global landscape, international exposure plays a vital role in shaping successful careers. Recognizing the growing interest of students in exploring global career opportunities, the Continuing Education Cell of Akshaya College of Engineering and Technology (ACET) organized an expert talk titled “Gateway to Japan: Career Opportunities for Indian Students.” The event, held on September 10, 2025, aimed to enlighten first-year students on the various academic, employment, and cultural prospects available in Japan. The session served as a platform to introduce students to Japan's technological advancements, educational systems, and industry needs, helping them envision potential pathways for their future careers.

### 2. OBJECTIVES OF THE PROGRAMME

The session was meticulously designed with the following key objectives:

- To provide awareness on higher studies and job opportunities in Japan.
- To guide students on language preparation, skill development, and industry expectations.
- To familiarize students with cultural, social, and academic aspects of life in Japan
- To motivate students to plan their academic journey early to align with global career prospects.

### **3. INAUGURATION AND WELCOME**

The programme commenced at 10:30 AM with a warm welcome address delivered by Prof. C. Rajasekar, Assistant Professor (Sl.G.), Department of Mechatronics. He highlighted the importance of global exposure and how Japan's strong industrial base offers significant career prospects for engineering graduates. He encouraged students to use this session as a stepping stone for planning their future.

### **4. KEYNOTE SESSION BY THE RESOURCE PERSON**

The keynote session was delivered by Mr. Navaneethakrishnan R, Director – iExplore Foundation, Director – Fluent Pluz, and Chairman – IEEE Education Society MAS. Drawing from his vast experience in industry collaborations and education, he provided an insightful overview of opportunities for Indian students in Japan.

Key highlights of his talk included:

- Overview of Japanese education and employment trends.
- Steps to prepare for studies and job placements in Japan, including JLPT (Japanese Language Proficiency Test) preparation.
- Industry expectations and emerging sectors like robotics, manufacturing, and IT.
- Cultural adaptation tips and real-life success stories of Indian professionals in Japan.

### **5. INTERACTIVE QUESTION & ANSWER (Q&A) SESSION**

The event concluded with an interactive Q&A session, where students actively asked questions related to internships, scholarships, part-time job opportunities, and visa processes. The speaker responded with practical advice, encouraging students to start their preparation early.

### **6. KEY OUTCOMES OF THE PROGRAMME**

The career guidance programme successfully achieved its intended objectives. The primary outcomes for the participating students were:

- CO1: Understand the scope of higher studies and career opportunities in Japan.
- CO2: Plan skill development and language preparation strategies for global careers.
- CO3: Recognize cultural and academic expectations while studying or working abroad.
- CO4: Explore scholarships, internships, and industrial collaboration opportunities.
- CO5: Build long-term academic and career plans aligned with global industry needs.

### **CONCLUSION AND VOTE OF THANKS**

The programme concluded with a formal Vote of Thanks delivered by the Student Coordinator, R. Sivasarathi, from the IV Year Mechatronics department. On behalf of all the students, he expressed

sincere gratitude to the resource person, Mr. Navaneethakrishnan R, Director – iExplore Foundation, Director – Fluent Pluz, and Chairman – IEEE Education Society MAS. Drawing, for his invaluable and inspiring session. He also thanked the management and the Continuing Education Cell for organizing such a timely and beneficial event.
